Dear friends,

I would like to express my sincere gratitude for your support and gift of **\$1,000.00**. The Race Track Chaplaincy is privileged to have you join our efforts in caring of the workers and families of the NY Horse Racing Industry. Together, we are engaged in a ministry of change and hope. Our assistance is a reflection of God's love to help empower our community to reach their full potential.

I'm often reminded that crisis presents itself without an invitation and there's where the NY Race Track Chaplaincy team works for those in need. We help the communities of Belmont Park, Aqueduct and Saratoga Race Course acquire the resources needed for a better quality of life. When people can effect change through their own efforts, they have more confidence in themselves, in their future, and in what their children's future might hold. I'm grateful for the part God allows us to play in this process of transformation.

⁹ So let's not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don't give up. Galatians 6:9.

This is a receipt. The Race Track Chaplaincy of America is a registered 501c3 non-profit charity Federal ID #27-0485424. No goods or services were received in exchange for this gift, except as specified in the Special Designation area above.

Sincerely,

Rev. Humberto Chavez
